2 In the reorganisation order of July 18, it was declared that the Medical charge of the District should be entrusted to the Surgeons. The Civil Surgeon states that in the exigencies of service, certain districts had to be placed in charge of Assistant Surgeons. Here together District Medical officers of Bangalore & Mysore alone are in charge of Surgeons.

3. It is submitted that the District Medical officers of Bangalore, Mysore, Kolar & Tumkur are given a local allowance of Rs. 50 p.m. each, for the reason, for attending to Sanitary work in the districts.

4. If the Civil Surgeons' proposal is to be sanctioned it will involve an early reorganisation and the Financial Secy. has to be consulted in the matter.

Submitted for orders. Vide Sub para 2 of the G.O. of 13-7-18 Sanctg the reorganisation of the Medl. Dept., Govt. have observed that in view of the increase in the no: of officers in the higher grades & the improvement effected in their emoluments, the necessity for personal & Charge allowances except in the case of Sub Asst Surgeons ceases to exist.

1) Prior to the reorganisation of the cadre of the Medical dept. in July 1918, Annual responsible charges which should ordinarily be placed under Surgeons were being held by Asst. Surgeons owing to the limited no. of Surgeons and also to the fact that the Surgeons charges had not previously been determined. The no. of Surgeons has now been increased, so that the annual responsible charges ought be held by Officers of Surgeon's grade.

It is not clear under what circumstances ~~to be~~ the charge of certain districts which are Surgeons' charges is held by Asst. Surgeons - the latter not being entitled at the same time to charge acting allowance under the Civil Rules. And the proposal of the Junior Surgeon to attach Special charge allowance in such case - which virtually amounts to increasing the no. of

It has not been found possible to adhere to the arrangements sanctioned in the Reorganisation Scheme and place an officer in charge of a hospital in every district. Under the Scheme, the Civil Surgeon is provided for in each district headquarters hospital, and since the Civil Surgeon has been removed since the Scheme was made and it has not been found possible to distribute him. Only one surgeon is allowed for the Krishnagiri Hospital at present, but to maintain the efficiency of this hospital he is required to

At present all his financial powers with his exception of those of Magistrate & Bungalow are in his Staff temporary grade. The position of this Scheme temporary appears to be reasonable. A rule that appointed that when an Asst Surgeon is placed in Medical Charge of a District, he may be given an allowance of Rs 50 a month seems to be necessary. The Financial Secretary may now be consulted.

It seems to me that the solution of the problem is to be found by filling up the 4 vacancies in the Surgeon grade by promotion of 4 Assistant Surgeons in the first instance, & by temporarily increasing the no of Surgeons by 3, & to such time as circumstances necessitate the employment of three officers of the Surgeon's grade in Special appointments

Office of the Senior Surgeon, Mysore Govt.,

No. C.2099-3
Encls.

Dated, Bangalore, 13th November 1920.

From

Dr. H.B.Mylvaganam, F.R.C.S.(Eng).

Ag. Senior Surgeon with the Government of
H. H. the Maharaja of Mysore, Bangalore.

To

The Chief Secretary to the Government of
H. H. the Maharaja of Mysore,
Bangalore.

Sir,

I have the honour to state that Surgeons when holding District charge had no local allowance but Assistant Surgeons when holding the same were allowed a local allowance of Rs.50/- in the case of Bangalore, Mysore, Kadur, Shimoga and Rs.30/- in other Districts.

2. The re-organization order of July 1918 has also declared Districts as charges for Surgeons. But in the exigencies of the Service, certain districts have had to be placed in charge of Assistant Surgeons and this arrangement may likely to continue for some time. These Assistant Surgeons may therefore be fairly said to act in the places of Surgeons, although, they cannot technically be styled as Ag.Surgeons, under the Service Regulations.

3. In these circumstances, the only way of compensating these Assistant Surgeons for undertaking the duties and responsibilities of Officers of a Higher Grade, is by granting them a local allowance as of old. My predecessor in Office was also of the same opinion. A uniform charge allowance of Rs.50/- will be a fair allowance in such cases and I request that Government may be pleased to sanction the

same at an early date. It may not be out of place to mention that under the revised Travelling Allowance rules, these Assistant Surgeons, who are drawing less than Rs.250/- are entitled to allowances for journeys on the same scale as their clerks and yet have to maintain their dignity as District Medical Officers, just as Officers of the Surgeons grade do in other distrfcts.

I have the honour to be,

Sir,

Your most obedient servant,

Ag. Senior Surgeon.

Sir,

In inviting your kind reference to my letter No.C.2099-3- of the 15th November 1920, recommending a uniform charge allowance of Rs.50/- to the Assistant Surgeons holding District -- Charges, I have the honour to forward the enclosed copy of letter No.1627, dated 3rd instant, from Assistant Surgeon Mr. P.R.Subba Rao, District Medical Officer, Hassan District, on the subject and to request that you will be so good as to obtain the orders of Government in the matter, at an early date, as the Assistant Surgeons who are now holding District Charges are find it extremely difficult to maintain their status like other co-ordinate officers of other Departments in the Districts.

Letter No.1627 dated 3-1-1920, from the District Medical Officer, Hassan District, to the Senior Surgeon, Mysore Government, Bangalore.

---:oOo:---

I have the honour to bring to your kind notice that after I was posted to the District charge i.e., 13-6-1920 I applied to the Senior Surgeon to recommend to the Government for sanction of an allowance to the Assistant Surgeons who are placed in District charge. I have not yet been in receipt of any reply as yet. As you are aware only the surgeons ought to be placed in charge of Districts, whose minimum pay is Rs.400/-. But Assistant Surgeons on Rs.140/- are now made District Medical Officers and the full work of a Surgeon is extracted from the Assistant Surgeon. It has been extremely difficult in these hard time to keep body and soul together even with high pay. As such how it is impossible to maintain the status of a District officers with Rs.140/- can be kindly better imagined.

2. I therefore request you to kindly recommend to the Government for sanction of an allowance to the Assistant Surgeons holding District charge from such date as they are in charge from.
